# ABORTION

**A Doctor Explains the Abortion Procedure** [15 minutes] Dr Noreen Johnson, an African American physician, explains in simple to understand terms, the various abortion procedures.

**A Matter of Life and Death** [16 minutes] Minnesota Citizens Concerned for Life presents the facts on abortion. Methods of abortion, including partial birth abortion, are discussed.

**After the Choice** [25 minutes] Produced by Concerned Women for America. Personal testimonies by women who have had abortions.

**All About Abortion** [3 video series...100 minutes, 100 minutes & 45 minutes...5 programs] Produced by Franky Schaeffer

**Choosing Life** [12 minutes] This DVD deals with the subject of abortion with great sensitivity, focusing on the Biblical foundation for the sanctity of life. As 19-year-old Meg struggles to decide whether to abort her baby, she finds guidance in God's Word and in the advice of a pregnancy counselor who has been there before.

**Christi's Choice** [28 minutes] The powerful true story of Christi Stile, an eighteen-year-old girl who was left severely handicapped, both mentally and physically, following a 'safe and legal' abortion in 1993. Christi's mother narrates the video, revealing how the abortion experience has affected the life of her entire family.

**For the Children** [35 minutes] **Graphic photography.** Actual footage of rescue missions at Detroit area abortion clinics.

**Hard Truth** [9.5 minutes] **Graphic photography.** Devoid of any narration, the video merges Kemper Crabb's haunting song "A Malediction" with uniquely convicting visuals.

**LifeTalk Video Magazine—May 1999** [60 minutes] A chilling interview with “Kelly”, a Life Dynamics spy who works in a late-term abortion clinic harvesting baby parts for sale in the lucrative tissue market.

**Making Abortion Unthinkable: The Art of ProLife Persuasion** [Video & CO-ROM] This interactive resource, produced by *Stand to Reason*, is an engaging easy-to-follow, well-reasoned, “plug & play” seminar with all you need to train a group in the art of pro-life persuasion. The packet includes five one-hour interactive training segments on video plus comprehensive student and teacher manuals in PDF format on CD-ROM. It includes discussion, role-playing, tactical tips, self-assessment and more. The scientific and philosophical cases against abortion are covered thoroughly. You’ll also learn how to answer the objections pro-abortionists use.

**Meet the Abortion Providers** [55 minutes] **Viewer discretion advised.** Graphic pictures. Reveals the stark reality of what abortion is. In this tape, former abortion providers tell their stories of why they became involved in the abortion business and why they eventually left.

**No Easy Way Out** [20 minutes] Pregnant and not knowing what to do, a young girl decides abortion is the easiest way out, except it isn’t that easy. This video mixes a realistic dramatization with real interviews from women and a man who found out the hard way that abortion is not an easy ‘solution’ to a crisis pregnancy.

**One in a Million** [18 minutes] Recommended for teens. Depicts a teenage boy hindered with a physical handicap struggling with his identity and meaning in life. He discovers that even his life is not without purpose. A dramatic turn in events portrays the deep significant void that each abortion leaves in the lives of other people.

**Partial Birth Abortion: Riveting Eyewitness Testimony** [30 minutes] Brenda Pratt Shafer, RN, assigned to work in Dr Haskell’s abortion clinic, describes her personal experience in witnessing the partial-birth abortion procedure.

**Reversing Roe: The Norma McCorvey Story** [30 minutes] McCorvey, the Jane Roe of the 1973 Supreme Court decision making abortion legal, spent years working in abortions clinics and promoting the abortion cause. In 1995, she had a complete change of heart! This is Norma’s story.

**The Missing Piece** [60 minutes] Lee Ezell tells the dramatic story of her remarkable reunion with her daughter Julie. It began in 1963 when Lee, a victim of rape chose to birth her baby and make an adoption plan for her child. This poignant, powerful story is a truly inspiring testimony of the power of love and faith to heal the wounds of the past.

**The Silent Scream** [28 minutes] Using an ultrasound screen, former abortionist Dr Bernard Nathanson narrates what takes place during a first-trimester abortion. This video provides irrefutable evidence of the humanity of the unborn child.

**The Truth About Baby Body Parts Trafficking** [15 minutes] Coral Ridge Ministries

**Where Are You Now?** [34 minutes] Produced by Lutherans For Life. Interviews with young individuals who faced a crisis pregnancy. Includes their choices and the consequences of their decisions. Clear Gospel and chastity messages, inspirational music. Suitable for adult and youth audiences.

**Who Broke the Baby?** [30 minutes] Can be used in public and parochial school settings. Based on Dr Jean Garton's best-selling book of the same name. Excellent for all ages, especially for youth. Examines abortion from the standpoint of logic while penetrating the euphemisms and slogans that obscure the real issue.

## SEXUALITY

***A Clean Heart for a New Start*** [30 minutes] Produced by Josh McDowell Ministries. “You can’t become a virgin again once you’ve lost your virginity—there’s only one first time. But, I believe you can become a virgin again, spiritually.” Josh McDowell explains the steps to regaining spiritual virginity...from confession, forgiving one’s self, and then on to showing fruits of repentance he provides hope and encouragement in the fact that a fresh start is always possible.

***Cathy’s Choice*** [46 minutes] This film exposes negative peer pressure and demonstrates the proven methods of making good decisions. It also shows how teens can have friends without compromising their standards.

***For Wedlock Only*** [22 minutes] The Durfields teach children the value of chastity and show parents how to guide their children in the right direction.

***Hollywood, Sex, and Seduction*** [36 minutes] See how the entertainment industry stretches the standards by violating sexual taboos and ridiculing Biblical sexuality.

***Hope and Healing: Coming Out of Homosexuality*** [10 minutes] Produced by Family Research Council. See and hear former homosexuals who have rejected the lie that they can’t change and have been restored to heterosexuality.

***The Myth of Safe Sex*** [53 minutes] Video #2 of Focus of the Family’s *Life on the Edge* series. Dr James Dobson and Dr Joe McIlhaney emphasize the medical implications of promiscuity, leading to today’s epidemic of sexually transmitted diseases.

***No Apologies: The Truth About Life, Love, Sex*** [30 minutes] Produced by Focus on the Family. Most teens will make smart decisions about sex, but first they need to hear the truth. This powerful, hope filled video delivers an unforgettable message about the importance of waiting until marriage to have sex.

**No Second Chance** [30 minutes] Jeremiah Films. Medical experts and health educators explain what AIDS is and how it is contracted, the difficulty in recognizing an AIDS carrier, the risks associated with “safe sex” approaches, and the one sure-fire way to avoid infection. The facts in this video could save the life of someone you know— because with AIDS, there is no second chance.

**Sex & Love: What’s a Teenager to Do?** [60 minutes] Mary Beth Bonacci talks to teens about the “do’s” of chastity. Using scripture and humorous, down-to-earth examples from teenage life, she shows that chastity is more than just abstinence— chastity is active. It’s about loving — the right way.

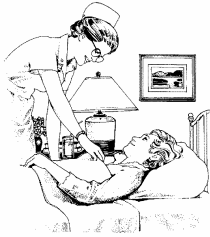

**Sex, Lies and The Truth** [30 minutes] Produced by Focus on the Family. Young viewers come face to face with the realities of unwanted pregnancies, STDs and AIDS. They meet kids just like themselves who gambled everything for a moment’s fling—and those who lost it all to a deadly disease.

**Springtime of Your Life: 17 Practical Reasons for Teenage Chastity** [27 minutes] Produced by The Foundation for the Family in Cincinnati, Ohio

**Talking to Teens About Taming the Tiger: Sex and Teens** [30 minutes] Produced by Lutheran Hour Ministries. Dr Dale Meyer and Molly Kelly discuss how parents can address the topics of sexuality and chastity with their teens. Discussion guide included.

**Winning the Sexual Revolution for Our Children** [30 minutes] Ricardo Montalban, Dr James Dobson and movie critic Michael Medved participate in interviews with renowned authors on the importance of family values and spiritual truths. Gives valuable tips to parents on guarding their children from the detrimental effects of peer pressure, television and the movies.

# DISABILITY

**Wings of Love** [20 minutes] We often think of handicapped children as a burden, when they more often are a wonderful blessing. Here's a boy with Down's Syndrome who brings joy to his family. You'll see unconditional love that looks past the handicap and reaches to the heart of this very special child.

# EUTHANSIA

***A Date With Dr Death: Calling Dr Kevorkian*** [? minutes] HBO's *American Undercover* TV presentation. Includes snippets of Kevorkian's 'client' videos and interviews with Dr Death and families of his victims.

***Bearing Burdens: An Alternative to Euthanasia*** [25 minutes] Produced by LFL of Wisconsin. Death by choice or obligation. A new 'right' for the handicapped, senile elderly and ill. How should Christians respond? The answers in *Bearing Burdens* will shock you, inform you, and warm your heart.

***Euthanasia: False Light*** [15 minutes] Anti-Euthanasia Task Force. Produced by Rita Marker, this video focuses on the need to provide dignity and compassionate care to the terminally ill. The issues of physician-assisted suicide, pain management, and the tragic experience of legalized euthanasia in Holland are addressed. Testimonies of three people who were diagnosed as terminal patients and are still "fighting the fight of life" are included.

***Perspectives on Euthanasia*** [27 minutes total — 3 segments] Produced by Advocates For Better Care. Segments include — Food & Water: To Care or To Kill [6 minutes] - Physician-Assisted Suicide: Personal Right or Medical Wrong [13 minutes] - Hospice Care: Living with Dignity Until Death [8 minutes]

***The Mercy Project: Ministry to the Elderly and the Terminally Ill*** [75 minutes] In six lesson segments, a panel of professionals discusses the Biblical view of death and dying, the sanctity vs. quality of life ethic, pain management, meeting the spiritual needs of the elderly and dying, individual and group ministries to the elderly and the terminally ill. Encourages us to bring 'life' into the dying process.

***When Is It Right to Die?*** [20 minutes] American Life League. Meet courageous people who, despite their physical handicap, prove that any obstacle can be overcome by God's grace. Joni Eareckson Tada tells her own story of victory despite a crippling accident, and is proof that every life is worth living.

## FETAL DEVELOPMENT

**Fetal Surgery** [10 minutes] Segment from PBS *The Body Human* records Dr Michael Harrison's fascinating surgery on an unborn baby who is returned to her mother's womb...and delivered healthy five weeks later.

**How Babies Grow** [5 minute segment repeated twice] A simple and beautiful telling of how the baby grows inside of the mother. It doesn't tell them how the baby "gets in" or "gets out", just scientifically accurate facts of fetal development.

**Life Before Birth** [5 minutes] Dr Gary Parker, of Creation Life Publishers, explains to a child how God created her as a unique individual from the moment of conception and even knew her before that. An excellent presentation for primary children.

**The Miracle of Life** [75 minutes] NOVA program. Parental discretion advised. Once you emerge from the Darwinian introduction, you begin a fascinating journey to witness the beginning of a human life. Through the aid of microscopic cinematography, the conception and development of a human being is chronicled.

**Ultrasound: Eyewitness to the Earliest Days of Life** [25 minute] Video includes the same material as *Ultrasound: Window to the Womb* but without the segment on abortion. Suitable for all ages.

**Ultrasound: Eyewitness to the Earliest Day of Life** [9 minute abridged version] Produced by Shari Richard. Shows growth and development of a baby in utero from 4 weeks after conception until birth.

## GENERAL LIFE ISSUES

***A Father's Heart*** [20 minutes] Fathers often get left out of the family—or are even encouraged to leave. But a revived fatherhood is the hope of the family. This video explores the father's crucial role in the family.

***America, You're Too Young To Die*** [? minutes] Produced by Arthur S DeMoss. Our bicentennial celebration of the U.S. Constitution. In words, vivid pictures and beautiful patriotic music this uplifting video describes where our country came from and what can be done to give America the second chance she needs to become a great nation once again.

***Contraceptives Between Classes*** [16 minutes] Produced by Catholic League for Religious and Civil Rights. A documentary style program on school-based clinics. Personal testimonies explore the political dimension of this issue and the grave moral threat the clinics represent.

***Creation or Evolution?*** [58 minutes] A candid, informative, Christian perspective and analysis of both the geologic record and the Biblical account of creation.

***Dinosaurs by Design*** [50 minutes DVD] Produced by Answers in Genesis. Dr David Menton presents the overwhelming evidence that these 'terrible lizards' were not the products of millions of years of evolution, but were the special creation of a Master Designer. Discover what the Bible teaches about dinosaurs.

***Educating Our Children Today*** [22 minutes] What are we teaching our children? The crisis in public education is shaping the future of America, raising a generation with a new set of values—or no values at all.

***Evolution: The Anti-God Religion of Death*** [60 minutes] This powerful video lecture by Ken Ham exposes the evil fruits of evolution. The tragedy of abortion is revealed as an unfortunate, though expected result of many people holding to an evolutionary world-view. There are answers in Genesis!

**The Evolutionary Controversy** [60 minute DVD] Produced by Answers in Genesis Dr David Menton shows there is no doubt that our world and its fascinating creatures clearly display God's handiwork. He also disposes of some of the traditional evidences to support evolution.

**The Eyes Have It** [50 minute DVD] Produced by Answers in Genesis Dr David Menton presents a well-illustrated and easy-to-follow talk on the incredible designing ability of the Creator.

**Facts and Bias: Creation vs Evolution — Two World Views in Conflict** [60 minutes] Creationist Ken Ham expounds on the statement that evolution is not scientific, but an untestable story about the past.

**Family Matters/Family Matters** [48 minutes] Produced by Lutherans For Life. Dr Jean Garton interviews Focus on the Family founder, Dr James Dobson on a wide range of life and family issues. Topics discussed include: values in conflict, parental rights, family and government/family and Church, family priorities, teenage sexuality and suicide, call to serve. A discussion guide is included.

**The Family Circle Encircled by Christ** [4 audio tapes] Dr Jean Garton presents...#1 Hand in Hand with Family #2 The Human Family #3 Making Disciples in the Family #4 The Christian Family

**Fearfully & Wonderfully Made** [DVD] Produced by Answers in Genesis. Dr David Menton explains from anatomical science and biology the truth of Psalm 139:13-16, which says that God weaves us together in the womb. This illustrated lecture also reveals the amazing and intricate design of the womb and the processes of fertilization, implantation, embryonic development and birth itself. The question is not *when* does life begin, but when does a *person* begin?

**Forever Family** [3 videos — 30 minutes each] This video series provides vital information to families faced with care-giving situations. Video topics — #1—How To Care For Aging Parents and You; #2—How To Provide Care at Home; #3—How To Access Community Resources.

**For Life** [15 minutes] Available as video or DVD. Produced by Lutherans For Life, this video shares the positive "For Life" message of LFL. **The Wonders of God’s Creation** [193 minutes total] This three-video collection — *Planet Earth: Sanctuary of Life; The Animal Kingdom: Great Are Thy Works; Human Life: The Crown of Creation* — presents the beauty, wonder and miracle of God’s creation. The viewer gains a deep appreciation for God’s infinite power, wisdom and everlasting love.

**Who Will Speak For Me?** [6 minutes] Produced by Lutherans For Life. A pro-life music video sung by Christian artists Don Wharton and Amy Grant. Excellent for concluding meetings and presentations.

**Why Won’t They Listen** [50 minute DVD] Produced by Answers in Genesis. Ken Ham explains why evangelism seems to be so difficult today ... and he offers a biblical solution.

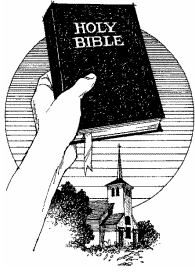

## GENETICS/STEM CELLS

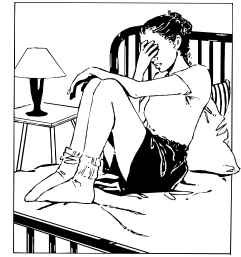

**Altering the Blueprint: The Ethics of Genetics** [CD of recorded lectures plus Study Guide] In this intriguing series of lectures, Professor Alexander McCall Smith, Professor of Medical Law at Scotland's University of Edinburgh, explores the startling and unsettling ethical choices that humans face now that medical technology has made it possible to guide the hand of creation with increasing levels of precision.

**Stem Cells: Beyond Hype Real Hope** [6 minute DVD] Produced by Family Research Council. An excellent discussion of the two types of stem cell research...embryonic stem cell research, which has evidenced no successes, and adult stem cell research, which has produced many successful medical treatments.

**Stem Cell Research and Cloning 101: A Primer** [37 minute DVD plus Discussion Guide] Produced by Lutherans For Life Inc and hosted by Rev. Dr. James Lamb, Executive Director of LFL. He says, "I want to make it clear from the beginning that this presentation is not going to be complicated and hard to understand. I will be presenting the basics of stem cell research and cloning. There are two reasons for that. First, I am not a scientist or an expert in these areas so I cannot make it complicated! Second, all we need to know are the basics. Once we understand the basic biology involved, we will be able to apply God's Word to these technologies—and God's Word is where we want to begin."

## POST ABORTION HEALING

*Living Victims of Abortion in Michigan* [45 minutes] Terry Selby, a mental health clinician, interviews post-abortive women who have been abused and exploited by the abortion industry. Various symptoms of post-abortion stress are discussed. Since this video was produced in 1987, Michigan law and abortion statistics have changed.

*Will I Cry Tomorrow?* [22 minutes] Produced by American Life League. Meet Dr Susan Stanford-Rue at the Institute for Abortion Recovery and Research, who herself suffered from post-abortion stress. She works to help other women receive emotional, psychological and spiritual healing.
